

The Forum

A Journal of Applied Research in Contemporary Politics

"This publication is increasingly becoming a 'must have' for study of American government."

-Melvin J. Dubnick, University of New Hampshire

Editors

Byron E. Shafer, *University of Wisconsin*

Ryamond J. La Raja, *University of Massachusetts*

Nicol Rae, *Florida International University*

Amber Wichowsky, *University of Wisconsin*

Aims & Scope

Covering topics that range from elections, to Congress, to American foreign policy, *The Forum* is the sole venue where professional political scientists analyze and comment on **contemporary American politics**, with peer-reviewed articles that are relevant and accessible to a wide audience. *The Forum* bridges the gap between academic political science and real-world politics.

Recent Articles

The Return of the Voter: Voter Turnout in the 2008 Presidential Election

Michael P. McDonald, *George Mason University*
