

**Canadian Institute of Chinese Medicinal Research
and the Ontario Ginseng Innovation and Research Centre**

Presents a

PUBLIC FORUM

“CHINESE MEDICINE – HEALING & WELLNESS:

What everyone should know”

Renowned Traditional Chinese Medicine (TCM) practitioners, physicians and scientists will make presentations of:

- State-of-the-art TCM and ginseng for healing and wellness as well as the underlying scientific basis.
- Efficacy and safety issues of natural health products.

Presentations will be followed by a question and answer period from the audience.

October 19, 2008 at 1:30 - 4.30 pm

**Stevenson & Hunt Room “A”
Central Library, Galleria Mall, 251 Dundas St.
London, Ontario**
