

Dear AUTHOR,

In 2014, NSU celebrated its 50<sup>th</sup> Anniversary! As a part of this momentous occasion, the NSU Libraries launched an institutional repository to house faculty, student, and staff scholarly and creative works. This repository, NSUWorks (<http://nsuworks.nova.edu>), will host and provide online access to the research, scholarly, and creative output of the NSU community, including alumni.

As part of this new endeavor, I am writing to you to ask permission to upload your M.A. in Writing thesis to the collection of Theses and Dissertations within NSUWorks ([http://nsuworks.nova.edu/nsu\\_etds/](http://nsuworks.nova.edu/nsu_etds/)). The benefits of doing so are numerous, including a monthly download report and access to an author Dashboard, which will give you tools to measure your readership.

Theses are very popular in repositories and lead to hundreds, or even thousands, of downloads a year. Including your thesis in NSUWorks will expand the reach of your work by allowing it to be accessed by people around the world. This will raise your profile, which could assist you with your writing and/or research career.

**\*\*You will retain copyright of your thesis, allowing you to publish your own work at any time with any publisher\*\***

Attached, you will find a copy of the Author Agreement. Please read it, provide your information at the top of the form—using an email address where you would like to receive the download statistics—sign the second page, and then return the form by email, fax, or regular mail.
